Dear Mr. Chou:

On August 2, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 4, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

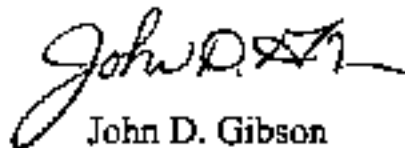

-In your response you state that your committee "uses only one Federal Account." Please clarify whether you maintain any non-federal accounts. If so, you should amend your report to include a Schedule H1 to disclose the ratio for the allocation of administrative and generic voter drive costs. This ratio is determined at the beginning of each two-year election cycle. All shared administrative and generic voter drive costs incurred during the two-year cycle must be allocated according to this ratio, unless the federal account elects to pay a higher percentage of its cost. 11 CFR §106.5(b)(2), (d)(1), (d)(2) and 11 CFR §§104.10(b)(1)(ii)(B) and 106.6(c)

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Angel L. Williamson on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to
